Enrollment Help

We offer **free, in-person help** from trained experts. Every county in Maryland has offices where you can ask questions and get help signing up for a health plan. To find a location near you, visit MarylandHealthConnection.gov/help.

You can also call us at **1-855-642-8572** (deaf and hard of hearing use Relay service). A health insurance expert who speaks your language is only a phone call away.

To enroll in private health insurance, you need to **sign up during "open enrollment" between November 1st and January 15th** at MarylandHealthConnection.gov or on our free mobile app, Enroll MHC. You can enroll in **Medicaid** any time of year if you qualify, and you will be notified when it's time to renew your coverage.

If you have had a major life event, such as getting married, moving to Maryland, losing a job, or turning 26 years old and losing your parent's coverage, you might be able to sign up. In most cases, you have 60 days to enroll in new health coverage through a special enrollment period.
